

Repeal the NJ Do Not Call Law - You should be able to call your friends and relatives. As a family in business, we need to be able to call clients and tell them of new or changed services. And when they refer us to their friends and relatives, it's in their best interest to be able to hear from us. I'm not saying get rid of the Do Not Call List completely, but please don't make it impossible to conduct legitimate, regulated (by state and federal laws already) and courteous business that truly helps people. We feel handcuffed! Help!!
